# Chain Sinnet Instructions

Form a loop with "A" crossing over "B"

Bring "A" under the loop

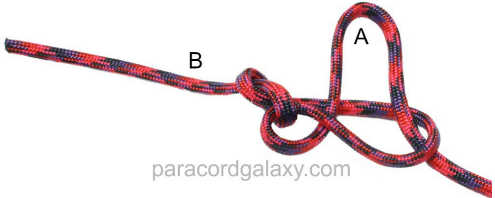

Pull "A" through the loop

Tighten the loop by pulling on "B"

Repeat the process by bringing "A" behind the new loop

Pull "A" through the new loop

Pull on the chain to tighten and pull on "A" to adjust size of the loop as needed.

Repeat until you reach the desired length. On last loop, pull "A" through as before.

Pull "A" all the way through the loop

Pull tight and finish the end as desired
