## Cobra Weave Bracelet

paracordgalaxy.com

Melt the ends of two pieces of paracord and join together.

paracordgalaxy.com

Make a loop near the joined ends and push through one side of a buckle.

paracordgalaxy.com

Bring the cord up through the loop.

paracordgalaxy.com

Pull tight leaving the joined ends near the buckle.

paracordgalaxy.com

Bring the ends of the cord through the other side of the buckle.

paracordgalaxy.com

Slide the second piece of the buckle toward the other end until you reach the length desired for your finished bracelet.

paracordgalaxy.com

This tutorial will start with the left patterned cord making it the center in the design. If you would rather have the solid cord in the middle, start with the right solid cord.

paracordgalaxy.com

Bring the left cord over the center two cords and under the right cord as shown.

paracordgalaxy.com

Bring the right cord under the center cords and up through the loop created on the left.

paracordgalaxy.com

Pull tight being careful not to move the buckle and adjust the length if needed.

paracordgalaxy.com

Now reverse the steps and bring the right cord over the center two cords and under the left cord.

paracordgalaxy.com

Bring the left cord under the center two cords and through the loop on the right.

Pull tight.

paracordgalaxy.com

Continue alternating between the left and  
right cords until you reach the other end of  
the bracelet.

paracordgalaxy.com

Trim and melt the ends to prevent fraying

paracordgalaxy.com

This bracelet is about 8 inches and used  
about 4 feet in each color.
