Heart Key Fob

paracordgalaxy.com

Materials:

6 feet of 425 paracord

Heart shaped split ring

Round split ring

Beads optional

{Cost for this project starts at \$3.50}

paracordgalaxy.com

Step 1: Fold your paracord in half. Insert the center of the cord down through the heart split ring.

paracordgalaxy.com

Step 2: Insert both sides of the cord down through the loop in the center of the cord and pull tight. Position at the bottom left side of the heart ring.

paracordgalaxy.com

If you are using beads, thread one on the right cord now.

paracordgalaxy.com

Step 3: With the right cord, insert the end down through the heart and bring it up through the loop it created. Pull tight.

B

Step 6: Bring B over the right cord and under the left cord. Pull tight and push B up toward the split ring.

paracordgalaxy.com

It should look like this. Continue repeating steps 5 and 6 alternating left and right sides. Keep everything tight as you work.

paracordgalaxy.com

Use a lacing needle to insert the cord as the space gets smaller. Once you reach the end, trim and melt the ends.
