Repeat step 4 with the left side.

paracordgalaxy.com

Insert your white cord through both knots and position it so you have equal lengths on both sides. Tighten the blue cord knots.

On the right side of your white, skip one row and weave it in a similar fashion so your right and left sides will alternate as you go down the length of your bracelet.

Once you reach the end, weave each cord end back through your bracelet on the back before trimming and melting each end.
