Loki Light Bracelet

Materials

Two 10 ft pieces of paracord
One ¾ inch buckle

(Cost for this project starts at $3.98)

Start with a two strand double cow's hitch with one of your cords (color 1) and buckle. See our tutorial if needed.

At the side with the working ends, insert the middle of the second cord down between the knots. Then pull the strands through the loop and pull tight.

Step 1: Cross color 1 over the left strand and under color 2. Bring color 2 behind the left strand and up through the loop created by color 1.

Step 2: Repeat step 1 with the right strands. Pull both knots tight. Cross color 1 cords with the left over the right.
Step 3: Bring color 1 over the left cord and under color 2 then bring color 2 behind the left cord and up through the loop created by color 1.

Step 4: Repeat step 3 with the right cords. Pull both knots tight.

Step 5: Bring color 1 over the left strand and up through the loop it created. Repeat with the right side and pull both tight.

Step 6: Cross color 2 strands left over right. Bring color 2 under the left strand then wrap around and insert it down through the space it created. Repeat with the right strand and pull both tight.

Step 7: Cross color 2 strands left over right. Bring color 2 over the left strand and under color 1. Then bring color 1 behind the left strand and up through the loop created by color 2.

Step 8: Repeat step 7 with the right strands. Pull both knots tight. Cross the color 1 cords with the left over the right.
Step 9: Bring color 2 over the left cord and under color 1. Then bring color 1 under the left cord and up through the loop created by color 2.

Step 10: Repeat step 9 with the right cords. Pull both knots tight. Cross color 2 cords with the left over the right.

Step 11: Bring color 2 over the left strand and up through the space it created. Repeat with the right strand. Pull both tight.

Step 12: Bring color 1 under the left strand and wrap over and insert down into the space it created. Repeat with the right strand. Pull both tight.

Step 13: Cross color 2 cords left over right. Bring color 1 over the left strand and under color 2. Bring color 2 under the left strand and up through the loop created by color 1.

Step 14: Repeat step 13 with the right strands. Pull both knots tight. Cross the color 1 cords with the left over the right.
Repeat steps 3 through 14 until you reach the other buckle.

Use a lacing needle to hide the cords under stitches in the back. Trim and melt the ends.

This bracelet is 8 ½ inches long and used about 9 feet of neon pink and 9 ft of graphite.
