## Rosary Bracelet

paracordgalaxy.com

### Materials

3.5 ft of Type 1 paracord

1 ft of Type 1 paracord

{Cost for this project starts at \$1.99}

paracordgalaxy.com

**Step 1:** Near one end, wrap the long piece of paracord over a lacing needle or a short piece of a straw.

paracordgalaxy.com

**Step 2:** Wrap the long end over the first wrap by working toward the back of the needle.

paracordgalaxy.com

**Step 3:** Wrap the cord a third time to the left of the first and second wraps.

paracordgalaxy.com

**Step 4:** Fold the cord and insert it into the end of the needle. Then pull the needle and the cord through the wraps. If using a straw insert the cord through the straw and pull the cord through.

**Step 5:** Carefully tighten the knot by pulling the long end and rolling the knot between your fingers.

paracordgalaxy.com

Repeat steps 1 through 5 to form a second knot about 3.5 inches from the first.

paracordgalaxy.com

Tie another nine knots close together. Put both cord ends together.

paracordgalaxy.com

Test the length of the bracelet, then tie another knot even with your first knot.

paracordgalaxy.com

Repeat steps 1 through 5, but wrap around the needle and the beginning end.

paracordgalaxy.com

With the short piece of paracord, tie an overhand knot around the end just below your last knot. Make sure each end on the short cord are equal length.

Repeat steps 1 through 5 on the right and left sides. Try to keep the knot as close to the other knots as possible.

paracordgalaxy.com

For the bottom of the cross, tie the same knot as before, but this time wrap a total of four or five times always working toward the back of the needle.

paracordgalaxy.com

Trim and melt all the ends.

You can use this same knot with 550 paracord to make a regular rosary.
