**Step 1:** With the burgundy (or main color) make a loop in the middle with the top cord on the left.

paracordgalaxy.com

**Step 2:** Insert the turquoise cord (or second color) through the loop with the right side about 18 inches long.

paracordgalaxy.com

**Step 3:** Bring the right burgundy cord over the turquoise and under the left burgundy cord.

**Step 4:** Bring the left burgundy cord behind both turquoise and up through the burgundy loop on the right. Pull tight and make sure your loop is about 1/2 inch wide.

**Step 5:** Bring the long turquoise cord over the short turquoise cord.

paracordgalaxy.com

**Step 6:** Wrap the long cord behind the short cord and up through the loop it creates. Be sure your loop looks like this.

Continue repeating steps 8 through 10 alternating directions until you reach the desired length. You should have a pattern of tying two burgundy then one turquoise.

paracordgalaxy.com

Once you reach the desired length, weave the burgundy cords to the back and leave the two turquoise strands pointing down. Trim and melt the burgundy cords.

paracordgalaxy.com

Tie a diamond knot (or your favorite knot) with the two turquoise strands and then trim and melt the excess. Click [here for diamond knot instructions](#).
