

# ParacordGalaxy.com

**Paracord makes the best sports bracelets! But what's the best weave for a paracord bracelet that boldly declares...**

**"That's my team!"**

A two color [cobra weave bracelet](#) is easy to make. Plus it's easy to accent with a 3rd or even 4th color. But is it the best weave for a sports bracelet?

**What's your favorite paracord weave for a sports bracelet?**

Check out our master list of [paracord colors for NFL fans](#). Our list includes a total of 23 colors of 550 paracord. With these 23 colors you can make bracelets, lanyards, key chains and other paracord crafts for fans of any NFL team.

**Go to our [Facebook](#) or [Instagram](#) page and tell us which weave you think is the best for sports bracelets.**

**We'd love to see pictures of your work!**

---

**Tip:** [Fids \(aka paracord lacing needles\)](#) make it easy to put a professional finish on your paracord work. Use them to weave in accent colors or to tuck in paracord tag ends. We offer 6 sizes and styles of Fids starting at **only \$3.99** each.
