**Make a Triskelion Paracord Necklace**

**The Triskelion Knot forms the focal point of this necklace.**

This is a great project to get creative with. You'll be working with three strands of paracord. We used [Type 1 Paracord](#) and added Cross Knots and [Beads](#) to dress it up.

We used approximately 10 ft of Type 1 Paracord to make a 20 inch necklace. Follow the link below to go to our free project tutorial.
