Micro Cord Adjustable Bracelet

paracordgalaxy.com

Materials:

Two 12 inch pieces of micro cord

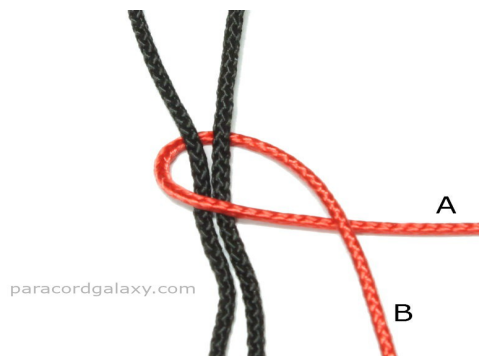

One 6 ft piece of micro cord

Beads (optional)

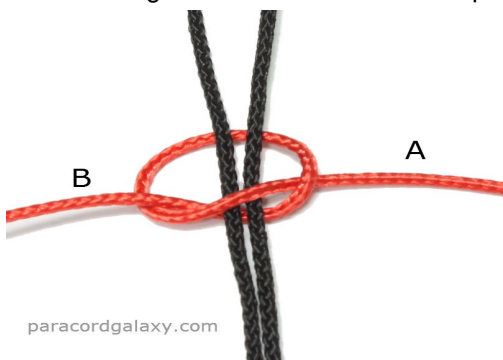

{Cost for this bracelet starts at \$1.49}

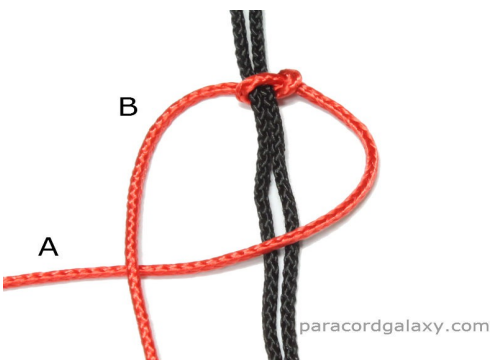

Step 1: Lay the two 12 inch pieces over the middle of the six foot piece of micro cord leaving about four inches at the top.

Step 2: Bring the left side A over the middle two cords and under the right side B

Step 3: Bring B under the middle two cords and up through the loop created by A then tighten. Make sure you still have four inches at the top.

Step 4: Repeat the process with A now on the right. Bring A over the middle two cords and under B.

Step 7: Bring A under the middle cords and up through the loop created by B. Add a few knots and beads until you reach the desired length.

Once you reach the desired length, trim and melt the ends of A and B. Next, overlap the middle two cords on each end.
